# SAFETY AND INFORMATION

---

## Safety

- This camera is designed to transmit video and audio signals. All other uses are expressly prohibited.
- Protect the camera from rain, moisture (dripping or splashing water) and heat (heaters or direct sunlight, etc).
- Only use the camera in a moderate climate.
- Never open the camera casing under any circumstances. No warranty claims are accepted for damage resulting from improper handling.
- Do not use any cleaning agent, as this may damage the casing. Clean the camera with a clean, moist leather cloth.
- Skype camera is only compatible with the GRUNDIG televisions with Skype support.
- Warning for the Product Package  
Packaging materials of your product are recyclable. Please ensure that packaging materials of your product are disposed of separately in accordance with the regulations set by the local authorities in order to proceed environmental friendly recycling process.

## Skype™ Ready

This Video Call Camera G-VCAM-01 allows you to make audio and video calls from Skype™ to Skype™ via internet connection.

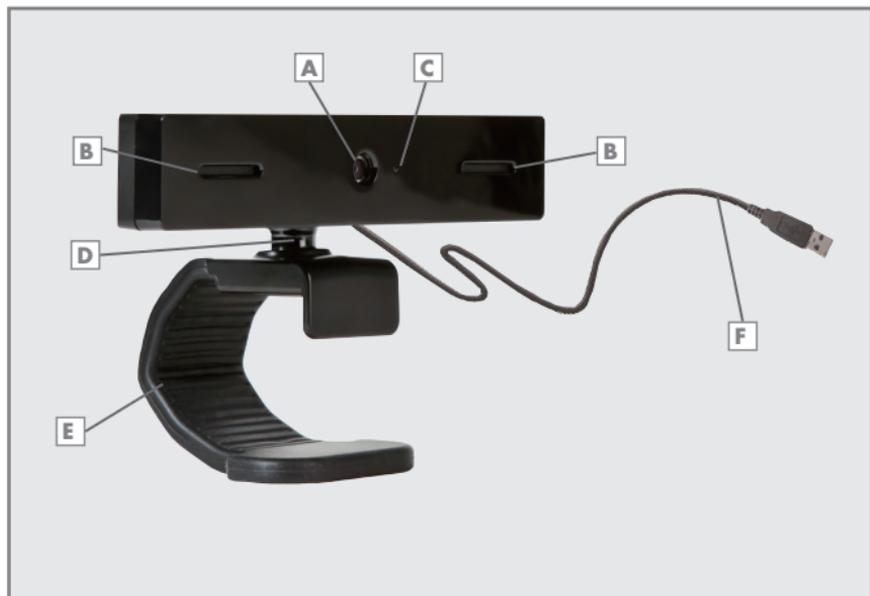

You need internet access and the Skype™ Ready application, which is installed on your GRUNDIG television.

## Important information about Skype™

- Skype™ feature requires that your TV is connected to internet.
- It cannot be used as a Skype™ phone and cannot be used for emergency calls.
- Skype™ calls made over wireless connection may have lower audio and video quality.
- A noisy environment may lower audio quality of the microphone.
- Skype is deactivated and you cannot receive incoming calls when the TV is turned off.
